Details of employability support (training opportunities/mentor)

We have delivered the Intermediate labour market programme and managed from start to end- including recruitment, performance management and progression.

The programme is aimed at young people aged between 16-24. At Tranmere Rovers we will provide a dedicated member of staff to support and job coach the candidate within their role. The support will be on a one-to-one basis assisting the young person into gaining important life skills such as work experience in a real working environment, CV improvements and preparation for future job interviews as well as many others. The support will be provided from day one up to the young person's completion date spending around one full day per week with them asking to complete a work/support journal to show progression. I will be the person supporting the young people throughout their time with us at Tranmere Rovers Football Club. Progress reports will be provided to all young people to complete at the end of every month so that we're able to provide them with suitable support. This will also allow us to act upon any feedback they may have. If the role cannot be extended we will ensure to support the young person in securing employment based on the skills they have gained.
