Below is a list of results from six different football matches.

HOME		AWAY
Tranmere Rovers	3 - 1	Everton
Manchester United	0 - 2	Liverpool
Blackpool	6 - 4	Manchester City
Manchester United	1 - 1	Blackpool
Everton	2 - 2	Liverpool
Manchester City	2 - 4	Tranmere Rovers

1. How many goals were scored in total?

2. How many goals were score by the home sides?

3. How many goals were scored by the teams who played away?

If a team wins a game, they recieve 3 points, if they draw they get a point and a loss means they will recieve 0 points. Using the above results, work out how many points each team will have after all of their games and circle the team with the most.

Tranmere Rovers

Manchester City

Everton

Manchester United

Liverpool

Blackpool

Using the football players names below, see how many words you can make using the letters in their name? We've give you an example to get you started.

SCOTT DAVIES

Tie

JORDAN HENDERSON
